

REMARKS

Applicants acknowledge the restriction requirement mailed November 17, 2009. In response, Applicants elect to prosecute the invention of Group I, claims 1-14, without traverse. Accordingly, claims 15-24 are withdrawn.

Applicants further elect without traverse the following species: etching to remove the sacrificial material; silver as the structural material; and copper as the sacrificial material.

Applicants respectfully request prompt consideration on the merits.

December 17, 2009

Respectfully submitted,

By 
David C. Read
